LUMP SUM PACKAGE DETAILS

LUMP SUM training package for Heavy Vehicle includes UNLIMITED classes of initial driving assessment training or signal training and second driving assessment training or reverse yard training and final driving assessment or road training.

- **Training Clause :** Unlimited classes applies only during the active validity period of the package and is subject to instructor and vehicle availability, scheduling, and operational capacity.
- **Test Attempts Policy :** The Trainee is entitled to a maximum of THREE (3) attempts for the Signal Test, THREE (3) attempts for the Parking Test, and up to NINE (9) attempts for the Road Test. All test bookings, including any reduced or priority test dates, are strictly subject to the availability, scheduling, and final approval of the relevant MOI or Traffic Department, and may vary depending on official regulations and capacity at the time of booking.
- **Failure After Allowable Attempts :** If the Trainee fails beyond the included number of test attempts, additional test fees and training or classes charges will apply as per the prevailing rates , see standard rates packages rates.
- **Reduced Dates Policy:** includes a maximum of FIVE (5) reduced test dates only ; any reduced, postponed, or rescheduled test dates requested beyond the allowed FIVE (5) will be subject to additional charges as per the school's standard package rates and Traffic Department availability.
- **Policy Update :** IDI reserves the right to amend these terms and conditions without prior notice, in compliance with UAE and MOI regulations.
- **Offer Packages , Discounts or Prices** may change without prior notice.
